He was an innocent man sentenced to a Georgia chain gang. His two escapes astounded a nation. His story is true.

At last, the truth about events that shocked America in the 1930s. This drama portrays the ordeal of Robert Elliot Burns, the man whose life inspired the film classic, *I Am a Fugitive From a Chain Gang*. Convicted of a crime he didn't commit, Burns is sentenced to a work camp run by a ruthless warden and sadistic guards. (ALV) 1:52. **October 31** (CC) 

Growing up is hard to do—but it's easy to see why this comedy-drama about the friendship of four boys was one of last year's biggest hits. It's the story of four pals in 1950s Oregon who go on a journey of discovery—and face their own worst fears along the way. The young stars, particularly River Phoenix (*The Mosquito Coast*), won raves for their work. Rob Reiner (*The Sure Thing*) directed. (AL) R-1:29. **Oct. 3,7,13,18,26** (CC)
